6508 Denbigh Ave | Burnaby, BC V5H 4W6 | vdehghansaei@my.bcit.ca | (778) – 858 – 0401 | www.dehghan.ca

## Technical Skills

---

### Java

- Used Java to create a dynamic program that uses matrix mathematics to create interactive equilateral triangles.
- Created several Java applications.

### JavaScript

- Created a webpage that used JavaScript to draw a house on a canvas with billowing smoke.

### HTML, CSS & Bootstrap

- Coded and designed several webpages, some of which were mobile friendly, using HTML, CSS & Bootstrap.

### git/Github

- Used git and Github to collaborate on projects with partners.

### PHP

- Used PHP to allow users to log in to a webpage and to authenticate input fields based on specific requirements.

### SQL/Oracle

- Created several databases using SQL and Oracle, then inserted, updated, and altered tables & rows.

### C

- Created several C applications.

## Soft Skills

---

### Team player

- Worked within a team of 6 to ensure smooth operations of a public garden.

### Great communicator

- Communicated new plans and ideas from management to the team members, and relayed questions back to the management team.

### Leadership

- Lead a team, comprised of 4 people, to meet goals set by the management team.

**Farsi**

- Fluent
- Excellent written & verbal skills

**Experience**

---

**Security Guard**

2015 - 2016

*Baha'i World Center, Haifa, Israel*

Volunteered as a security guard for the Baha'i holy place

**Quick Learner**

- Learned basic Hebrew and Russian within a month to communicate the rules of the holy place to the public visitors.

**Responsibility**

- Responsible for the public area of the Holy Place and for the guards on shift.
- Made sure no rules were broken by the public visitors, and that the guards were performing their duties correctly.

**Punctual**

- Always on time to shift as I had to be there early to relieve the other guards who had just completed the night shift.

**Great Communicator**

- Communicated the rules of the gardens to the visitors of the holy place.
- Relayed important messages from the management team to the other guards.
- Communicated new policies and important messages to the local guards who did not have English as their primary language.

**Team Player**

- Worked within a team of 6 to ensure smooth operations of a public garden.

**Back of House Chef**

2014 - 2015

*White Spot, Burnaby, BC*

Responsible for closing the restaurant to make sure the morning shift runs more efficiently.
